

OUR STORY

When Michael and Joy married in 1997, they had a plan to serve God in concert ministry. Refining moments early in their marriage brought a deeper understanding of God's will, so they followed His leading through several years of seminary and church ministry. As they continued to seek His face, He changed their ministry trail. They now journey in concert ministry with their six children, pointing people to Jesus through music. They write their own songs and encourage their musically talented children to serve God in this ministry with them. They seek to bless others with their God-given talents and follow His call and leading. Michael and Joy and their family currently reside in Chickamauga, Georgia.

Michael, Joy, Jacob, Natalie and Elena Mays, a family of great God-given talent, will minister to your congregation or other gathering in music and song. Their genre is eclectic in style; presenting folk style, adult contemporary, traditional hymns along with other varieties mixed with their own written score and lyrics.

Michael and Joy Mays and their children are all talented in a variety of ways. Michael is an operatic tenor; Joy is a polished and accomplished pianist. Like their parents, each of the children are talented in voice as well as writing lyrics. Contact Mays Music Ministries for a concert in your church, conference, event, or other gathering. Love offerings are appreciated.

For I know the plans I have for you,
declares the Lord,
plans for welfare
and not for evil,
to give you a future and a hope.

MICHAEL MAYS

An award-winning soloist, Michael's tenor voice is uplifting to your spirit and soothing to the soul. He not only sings and plays guitar but also writes the music to his and Joy's poetry for their family's performances and albums. Michael was led to Christ by his mother when he was seven years old.

JOY MAYS

Versatile in her musical abilities, Joy sings both solos and with her family, writes much of their music's lyrics, and is a very talented pianist, playing many of her own arrangements. Joy was saved at the age of six.

JACOB MAYS

Jacob enjoys singing with his family and has written a few songs of his own from his thoughts and love for God. Jacob accepted Christ at the age of four, led to the Lord by his dad.

NATALIE MAYS

Natalie, the oldest of the Mays' daughters, loves to sing songs that admonish others in the faith. She embraced her Savior at six years of age, led to Christ by her mom.

ELENA MAYS

Elena loves playing outdoors and sings alongside her sister and mom with a desire to be able to write songs. She became a daughter of the King at five, led by her dad.

Our hope is that all the souls we reach have had (or will have) an encounter with Jesus Christ, realizing Him as the only Savior for their souls. His sacrifice on the cross was validated by His innocent life. He defeated death by His bodily resurrection, which legitimized His lordship over each life. We pray that His Holy Spirit, who guides all earnest seekers to truth, will reveal the real Jesus to everyone we are blessed to meet.

CHURCH CONCERTS

We love bringing God's message to His people, and our church music ministry is the heart of what we do. It is a privilege and joy to share an eclectic worship service with fellow believers and celebrate Christ's goodness with His Church.

THE YOUTH TRUTH REVUE

It's always exciting to share Jesus with kids! We play games, tell stories, do skits, sing fun and Christ-centered songs, all to communicate Jesus to kids of all ages.

HOUSE CONCERTS

One of the most rewarding things we get to do is bringing our ministry to private homes. It's a great opportunity to reach out to our neighborhoods and invite unsaved and seeking friends into a low-impact night of fellowship and worship.

SENIOR LIVING

What an honor to be able to bless these precious people who've lived such full and interesting lives with a little gift of music. Singing in all kinds of styles—classics, Gospel, even old TV show themes!—never gets old.
