For over 4 decades, Joel Clyde has been thrilling audiences with his Incredible musical abilities. He has played with, and opened for many, many big-time acts. He is also a songwriter, and some of his songs have been recorded by well-known artists.

Joel Clyde is a Multi-Instrumentalist, equally at home on piano, electric and classical guitar, banjo, mandolin, bass guitar, fiddle, percussion, harmonica, etc..., as he is on acoustic guitar. From hauntingly beautiful finger-style, foot-stomping bluegrass and country, to face-melting oldies and rock styles, he can do it all. With a repertoire spanning more than 7 decades, he is a virtual human jukebox.

Not only is Joel Clyde a World-Class musician, he is also a highly rated vocalist. His voice can be anything from a smooth crooner style, to screaming rock...whatever the song calls for.

Originals, acoustic, oldies, traditional country, rock, R & B, and more, Joel never fails to keep audiences happy. His talents and professionalism are among the highest standards in the industry. Don't miss this chance to see one of the Southeast's most dynamic performers.
